**Subject:** Area 1 FS Revised Remedies

Chase,

I am working from home today and will be in the office Monday and Tuesday of next week and out the week of July 15. I know it was mentioned in an earlier meeting that AMEC may be consolidating, reducing and/or potentially adding new remedies for the Area 1 FS. Since the Area 1 FS is due at the end of the month, I was anticipating having a discussion or having a

chance to review those new remedies before the Area 1 FS is submitted.

I just wanted to get your thoughts/plans regarding this.

Jim
